Finding Joy in the Simple Things

Thanksgiving is in the air and being able to find joy in the simple things, is truly satisfying. Why don't we do this year round? Life becomes so complicated and joy seems to get caught up in all the hype around the holidays. How do we keep in simple and stay true to the joy? Should be a thought provoking meeting where you come away being able to hold on the joy just a tad bit longer.

RSVP online www.ProsumersInternational.org

A consumer led, consumer developed program that has you focus on wellness and recovery.
