The 82<sup>nd</sup> (2011) Legislative session is gearing up to begin on January 11, 2011. Now is the time to start discussions with legislators. Soon laws that affect you and me will be talked about, argued and voted on. Can you have a voice in those decisions? How can you find out what laws will be pertaining to you? How can you influence the laws? We are going to be looking at all of those things and maybe even come up with an idea that we can present to those who can make law. We will have a lively discussion and prepare people for this next session. We will also have a deputy voter registrar with us, if you need to register to vote or update your voting card. Come see what the possibilities are!

RSVP to Michelle Mata toll-free at **1-877-334-2717 ext 201** or online at **[www.ProsumersInternational.org](http://www.ProsumersInternational.org)** so we can order enough food
